Product Overview

Moxytrip-P Eye Drops

Active Ingredients:

Moxifloxacin

Broad-spectrum 4th generation fluoroquinolone antibiotic

Prednisolone

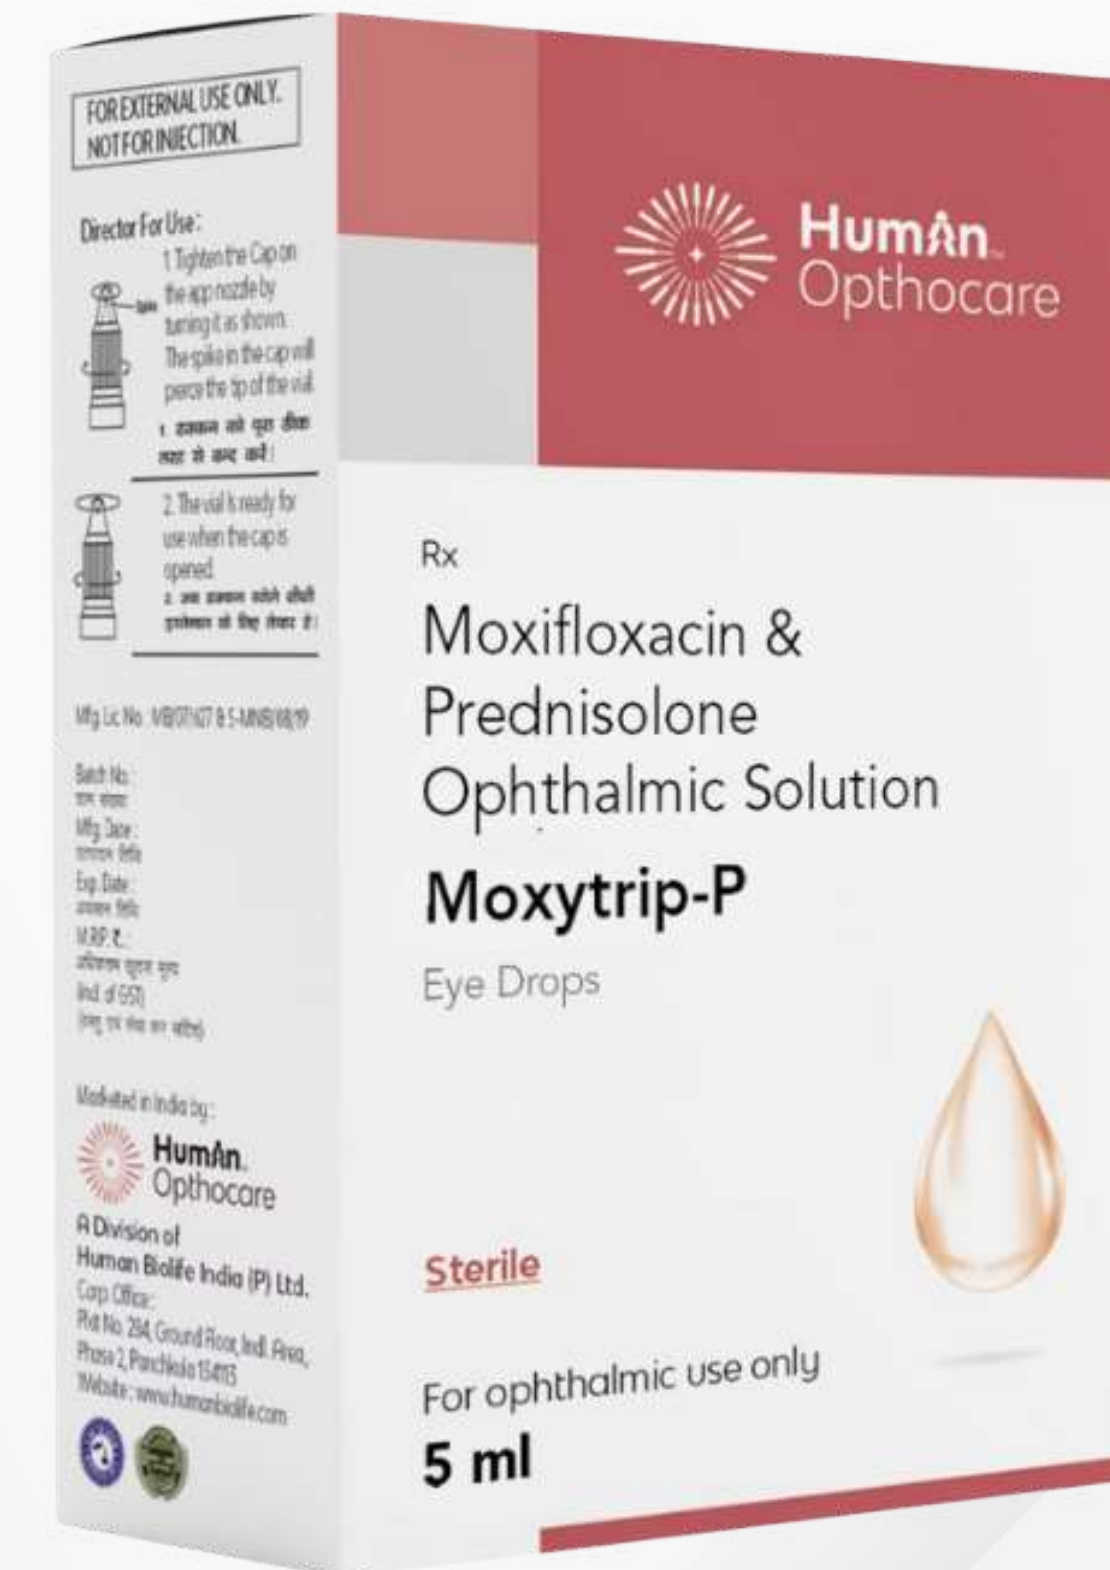

Potent corticosteroid for anti-inflammatory effect

Multi-action formulation:

Antibacterial + Anti-inflammatory

Specially designed for:

Post-surgical prophylaxis, ocular infections with inflammation, severe inflammatory eye conditions

Why Moxytrop-P?

Dual Mechanism of Action

Moxifloxacin

Rapid bactericidal effect on Gram+ & Gram- bacteria

Prednisolone

Strong anti-inflammatory, relieves pain, redness & swelling

✓ Advantage:

One solution for **infection + inflammation**, reducing need for multiple drops

Indications

Moxytrip-P is recommended for:

- 1 Post-operative prophylaxis (cataract, LASIK, trauma)
- 2 Ocular infections with significant inflammation
- 3 Steroid-responsive inflammatory eye diseases with bacterial risk
- 4 Acute bacterial conjunctivitis & keratitis

Clinical Advantages

Key Benefits of Moxytrip-P:

1

Broad-spectrum antibacterial protection

2

Rapid reduction of ocular inflammation & pain

3

Prevents post-operative complications

4

Improves patient comfort & compliance

5

Trusted combination of **antibiotic + steroid**

Comparison with Other Eye Drops

Parameter	Moxytrip-P (Moxi + Prednisolone)	Moxifloxacin Alone	Steroid Alone
Antibacterial	✔ Strong Broad-Spectrum	✔ Strong	⊘ None
Anti-inflammatory	✔ Strong	⊘ None	✔ Strong
Post-op Use	✔ Excellent	⚠ Limited	⚠ Limited
Compliance	✔ Single solution	⚠ Needs steroid	⚠ Needs antibiotic

Dosage & Administration

Dosage:

1 drop into the affected eye(s), **2–3 times daily** or as directed by physician.

Shake well before use.

Not for prolonged unsupervised use (due to steroid component).

For **topical ophthalmic use only**.

Safety & Tolerability

Generally Well-Tolerated

Possible side effects:

- Mild stinging/burning
- Temporary blurred vision
- Rare: rise in IOP with long-term use

Contraindications:

- Viral/fungal eye infections
- Hypersensitivity to fluoroquinolones/steroids
- Prolonged unsupervised therapy

Why Prescribe Moxytrip-P?

 Doctor's Choice For:

Effective management of
infection + inflammation

Single solution → improves
compliance
